Where every space opens to something unforgettable

Our spaces don't just frame the view—they're part of it. Whether you're standing under the trees, by the lake, or on the garden deck, the calm presence of Taal Lake and Volcano surrounds you. At Nuuk, the view isn't just something you look at—it's something you feel.

Infinity Pool

Enjoy panoramic views of Taal Lake and Volcano from our infinity pool.

Pool Hours: 7:00 AM – 9:00 PM

Pool towels and shower facilities are available for your comfort. For safety reasons, swimming outside operating hours is discouraged while nightly pool treatment is underway.

Bibliotek

A quiet reading and working space available for all guests. Books may be borrowed by leaving your library card with reception.

Multi-Purpose Game Room

Located on the Lakehus ground floor, our game room is available from 9:00 AM – 9:00 PM. You may reserve a time slot and order food or drinks via the call button inside. We kindly ask that noise levels be kept at a minimum, as guest rooms are located above.

Viewing Deck

Best enjoyed at sunrise or sunset, the Viewing Deck offers one of the property's most peaceful lake views.

Gardens, Tree Canopy & Lakehus Al Fresco

Our gardens and tree canopy are intended for quiet enjoyment, reflection, and rest. You may borrow a yoga mat for light stretching or meditation in the garden or request a volleyball, football or badminton set to enjoy with our compliments.

Lakeshore Garden & the Strand

Perfect for leisurely walks along the shore. Here you'll find the little pond for kiddie fishing. Also from here you can set off on a kayak or go on a boat tour of Taal Lake. Lake swimming is permitted but not encouraged due to varying water depths and natural lake conditions. Life jackets may be provided upon request.
